The Government Printing Works

Acting CEO Ms. Alinah Fosi

Via Email

Dear Ms. Fosi

CHALLENGES ENCOUNTERED WITH THE NON – APPEARANCE OF THE GOVERNMENT LEGAL GAZETTES

1. I write to you on behalf of our Insolvency Practitioner members who are being extremely prejudiced by the fact that the GPW Legal Gazettes have not been published on the website since 29 January 2021.
2. We have tried calling all possible landlines without success, all our emails are met with the same response that there is a technical problem without providing us with specifics.
3. Our members are dependant on the advertisements for example:
 - a. Meetings of creditors,
 - b. Confirmation of liquidation and distribution accounts,
 - c. Section 34 sales of business.
4. Without these advertisements our members are being deprived of their income which will have dire results in that many jobs will be lost if their businesses were to close.
5. Please provide us urgently with an update of the situation.
